

Lesson Ideas Virtual Tours

<p>Write a diary entry as one of the characters on the Street.</p>	<p>Role play with another person and compare the experiences of Alice and James.</p>	<p>What sorts of things do we do everyday to keep ourselves safe and healthy? Design a poster to help remind others of how to do this.</p>	<p>Equiano shared his life story as a way of helping people understand some important perspectives. What would you like people to know and understand about your life and experiences?</p>
<p>Write a report or article about Disease Street and the hazards to people's health and safety.</p>	<p>Redesign Disease Street so that it has all the things that the characters need to be safe, healthy and happy.</p>	<p>Create a one or a series of posters that raise awareness of the diseases that were rife on Disease Street.</p>	<p>Make an observational drawing or painting in the style of the Victorian botanical paintings.</p>
